Kale vs Cabbage Higher Expressed Genes

Naie vs Cabbage Fligher Expressed Genes					
response to herbivore	detection of fungus	nitrile biosynthetic pro <b>nitrile metaboli</b>	<b>tabolism</b> ile metabolic process	fatty acid derivative metabolism	
response to her	response to herbivore			endosome organization	
positive regulation of plant-type hypersensitive response	cellular response to iron ion starvation	benzoate metabolism	photosynthesis	carbon fixation  negative regulation of ion transport	
response to external stimulus	response to stress				negative regulation of ion transport
